

# Mill Road Rocks

*Get involved and help our garden grow*

Rock painting is really easy and accessible to everyone

What you need:

- Acrylic paint\* or waterproof paint
- Paintbrushes
- Varnish
- Stone or cobble
  - *Choose your stone, wash and dry.*
  - *Paint a base layer over the cobble top and bottom*
  - *Use a selection of paint or paint pens to create your design.*
  - *If you have varnish, spray a layer of varnish over your design to keep it waterproof.*
  - *Add it to one of the frames and make a point of looking out for it each time you walk past.*

If you can't find your own cobble to paint, there are blank ones in the garden. Take one, paint it and bring it back.

\*Acrylic paint or acrylic paint pens are readily available in many high street shops and on Amazon. Hobby Craft, B&M & The Works do some great starter kits too.
